POLICE-FIRE CLUB TURKEY WHIST SET FOR TONIGHT

Friday night, November 14th.

Dark that date in red on your calendar, for it will be a big night in Albany when the Police and Fire Civil Service Club sponsors their annual Turkey Whist in the Municipal Building beginning at 8 p.m. There will be a plump, tender turkey for every four tables at the whist and some lucky ticket holder will get a 20 pound turkey hen as a prize.

Sergeant Art Smith, chairman for the gala affair, stated at a week that 400 tickets had been sold and a maximum crowd is expected. Smith pointed out that ticket holders need not be present to claim the door prize. Tickets still being sold by members of the police and fire departments are going at 75 cents each. Profits will go into the welfare fund of the Club.

Albany Eagles to Meet With Oakland Aerie 6-State Conclave

At Oakland Aerie 1325, Fraternal Order of Eagles, will be held a 6-state conclave on Friday, Nov. 14, involving some 100 members at a six-state conclave in which representatives from Utah, Nevada, Arizona, Colorado, Oregon, Washington and California will participate.

Members of the East Bay for the conclave will be conducted while the delegates are in session. A dinner and dance will follow the conclave.

Members of Bayview Aerie of Albany will attend to see many members from this area initiate.

The next initiation night for the Albany Aerie will be held on Friday night, November 17 at the Elks Hall, Kaimosi and Main. The Albany Eagle Civic Award will be presented to Ernest C. Blum, Chairman of the City Park Planning and Improvement Commission. City Attorney George Glavinovich will be the speaker at the ceremony at the presentation. Following the business of evening, the House Committee, or the supervision of chairman Ray Beale, will serve a buffet dinner.

One Day Service for Diamond Resetting at All Bros. Jewelers

At Albany Jewelers, 830 San Francisco Ave., this week announced a special one day service for diamond resetting and diamond setting. The store is remodeling and will be open for a few days only. The remodeling is being done by the firm of Herbert Dyer.

For brings to Call Jewelers for years of experience in jewelry repairing and diamond setting. It is offering one day service on resetting of diamonds or recutting of jewelry.

Council Delays Rezoning Action For One Week

Residents near the property on Telvin St. in the North Terrace tract gained a one week postponement on a rezoning decision by the city council Monday night when they protested by letter and in person against the proposed construction of 14 one-story living units on the disputed lot.

Joe Vila, local contractor, told the council and citizens protesting the rezoning that he had invested \$10,000 in the property and intended to build attractive, sound homes which would benefit the neighborhood.

Acting Mayor Frank Hayes stated that the protestants had apparently misunderstood the phrasing of the rezoning—from Class I to Class II—and granted the stay of decision so that Vila and his opponents could talk the plan over and study the projected buildings more closely.

A leave of absence of six months was granted to Police Sergeant William Hyde over the protest of Fire Captain L. J. Varnie. Councilman Charles Graeber stated that "as Civil Service regulations now stand, I do not see what else we can do." Varnie had protested "on principle" the grant of leave for Civil Service employees to try out other jobs.

Varnie stated that "a number of policemen had been granted similar leaves of absence but that Chapman and Browne of the Fire Department were refused."

Other business of the meeting included a resolution vacating Pomona Avenue between Thousand Oaks Blvd. and Portland Ave. for the use of the Albany High School. This action followed a public hearing on Monday night, Nov. 3 at which time no protests were heard. Pedestrian and emergency vehicle traffic was provided for in the resolution drawn up by City Attorney George Glavinovich.

'Y' Boys to Attend UIC-Wyoming Game

When the University of California meets Wyoming Saturday in Memorial Stadium, Berkeley, grade school boys from the Albany 'Y' M. C. A. will be on hand to root for the local team. They will see the game as guests of the Albany 'Y' under the guidance of Ray Osterholt, assistant physical director.

Aiding Osterholt will be William Woolworth, T. K. Ulyatt, Ronald Webb, Verdon Garner and Joe Popper.

HISTORY OF ALBANY

The Police and Fire Civil Service Club's history of Albany is scheduled for release on November 14. Members of the club announced that some reservations may still be taken.

J. A. Flynn, Manager of the Albany Mechanics Bank hands Mrs. Claire Griffin her deposit book in which \$50 has just been entered as her prize in the Bank's recent contest. Mrs. Ruth Stofer, who tied with Mrs. Griffin for first place, has just received her deposit book.

Albany 'Over the Top' In Red Feather Drive

With last midlife returns from the San Pablo Avenue business district and certain residential areas the Albany Community Chest reached on Nov. 10 a total of \$8028, sending Albany over its quota of \$8000. However, the overall goal of \$277,000 for the Albany-Berkeley-Kensington area is far from being reached. At this same date it was indicated at Community Chest Headquarters that \$40,000 still needs to be collected before the overall goal will be reached. An individual letter campaign will be conducted with the hope that additional funds will be forthcoming as the work of the 21 agencies represented in the Community Chest will not be seriously handicapped during the coming year.

If there are still Albany residents or businesses that have not been approached for contribution or who wish to make additional contributions to this worthwhile work, they may do so by mailing their checks to the Albany YMCA.

A thank-you tea for the many Community Chest workers will be held on November 19 from 1:30 to 3:30 at the Albany 'Y'. Mesdames W. H. W. Woolworth, Kenneth Ulyatt, and Thomas Griffin will act as hostesses.

Groundbreaking Starts Work on Baptist Church

Ground breaking ceremonies for the new First Baptist Church were held last Sunday at the site of the edifice to be built at the corner of Solano and Pomona Avenues. The Reverend O. A. Odegaard, pastor of the church officiated.

The new building will replace the chapel erected ten years ago on what is now high school property. Rapid expansion of the school forced the sale last year of the chapel which had become too small to house the increased congregation. Sunday services have since been held in the Albany YMCA. Weekly services and Sunday School classes have been held in the homes of church members.

The sanctuary of the new building will seat an estimated 450 persons and will cost approximately \$45,000. The contract for construction has been let to Peter Christensen, contractor, and is being supervised by W. R. Schofield. O. P. Elason is chairman of the Building Committee.

MORGAN'S MEANDERINGS

By M. S. T.

My eyebrows went up a notch Tuesday when "Johnnie" Johnson, the City Engineer's super secretary told me that, among other trivia, the recent Clean Up Week netted four post holes. But she wasn't kidding. The "holes" were cement fillings from which posts had been removed. As a post script to this stirring bit of news she added that city truckers hauled 46 loads of stuff and things during the drive.

Over at the firehouse the Smoke Joes are engaged in a do or die ping pong tournament. Capt. Browne vows the loser will have to clean the fish pond. Chief Pimental is still taking a ribbing on his three-time appearance in the Western Cities, a trade journal for city employees. Photo Fred was snapped three times during the recent California Cities convention in S. F.

Membership Contest Winners Feted at Cornell PTA Party

Five Cornell classes, winners of the recently completed membership contest, were given a party by the Cornell Parent-Teacher Association on Thursday afternoon, Nov. 13, at which two movie comedies were shown and ice cream and homemade cookies were served.

Teachers of the winning classrooms were Mrs. Frances Clarke, whose class was the first to reach the goal of 100% membership, and Miss Dorothy Nichols, Mrs. Eva Sauri, Mrs. Elmarie Olson and Mrs. Edna Kilburn.

This year's membership drive was the most successful in all Cornell P.T.A. history. 440 parents and teachers joined the organization, with full faculty membership, as usual.

Mothers of Troop 42 Plan Christmas Party

The next meeting of the Scout Mothers' Club of Troop No. 42 will be held November 18 at the home of Mrs. Rose Verilich, 1087 Curtis St. Mrs. John Robins will be co-hostess.

Mrs. Charles Garrels, president, urges all mothers of scouts in this troop to attend as plans will be made for the boys' Christmas party.

2 Albany Women Tie for First In Bank Contest

Two Albany housewives tied for first place over approximately 1500 entries in the Mechanics Bank "Name the Little Man" contest which closed here on Nov. 1.

Mrs. Claire Griffin of 910 Evelyn Ave. and Mrs. Ruth Stofer of 802 Talbot Ave. both chose the name Mickey McManik and were awarded the first prize, \$50 deposited to their credit in a savings account at the Mechanics Bank.

On Friday, Nov. 7, E. M. Downer, president, awarded the local winners their prizes in an informal ceremony in the Richmond office of the bank.

Both Mrs. Griffin and Mrs. Stofer declared that this was their best success in winning such a contest. Both were surprised at their luck as they had forgotten the entries deposited some weeks previously in the contest box at the Albany Mechanics Bank.

Marin PTA Group Makes Plans to Enlist More Members

The Homemaking group of Marin Parent-Teacher Association will meet on Thursday, Nov. 13, at 8 p. m. at the home of Mrs. K. S. Hawkins, 729 Ramona Ave.

This group is a new adventure to Marin Mothers this year. Last month the first meeting was held at the home of Mrs. Roy Burns, homemaking chairman. Mrs. Burns hopes to have two or more groups organized before the end of the year and invites all interested mothers to join. The number will be limited in each group to simplify the problem of entertaining. Those present at the first meeting were Mesdames George Klarmann, president of Marin unit; Roy Burns, chairman; Frank Takken, Ralph Kelley, K. S. Hawkins, Mitchell Weissbluth, E. B. Hanson, Charles McKeown, George Kratz, George Frederickson, T. Bertino, Marion Oldemeyer and Cleo Harris.

Church Bazaar

The Albany Community Church, Marin and Stannage, will hold a Carnival Bazaar tonight at 7 p. m. Handmade pillows, towels and novelties will be offered as well as food to eat at the Bazaar or to take home. Door prizes will be drawn every hour and there will be an exhibition of folk dancing. As an added attraction, there will be movies and special activities for children. Admission is 25 cents for adults. Children will be admitted free.

Albany Masons Plan Ladies Night Dance

Albany lodge of Masons will hold their first ladies night at the Masonic Temple, Colusa and Solano Aves., Nov. 2, according to Carl MacWilliams, chairman. The committee is arranging for an evening of dancing and entertainment.

Dancing will start at 8:30 and admission will be by Eastern Star or Masonic receipt. Eastern Star and Masons may bring their friends as guests.

ALBANY COMMUNITY CONCERT LEADERS LAUNCH MEMBERSHIP DRIVE TO BRING RENOWNED ARTISTS TO THIS CITY

Exchange Directors Draw Up Constitution

The Executive Board of Albany's newest organization, the Exchangeettes, met Wednesday night, Nov. 12, in the home of their president, Evelyn Gordon, 517 Pomona Ave., to draw up a constitution and discuss future plans and projects.

The constitution will be presented to members for ratification at the next general meeting of the group on Nov. 20 at Griff's Steak House. A feature of this meeting will be a "white elephant" sale among members, to start a welfare fund for future club projects. Child welfare will be one of the main aims of the Exchangeettes.

Present at the Monday night meeting were Mary Williams, vice-president; Irene Villa, secretary; Thelma Moss, corresponding secretary; Ada Smith, treasurer; Betty Williams, committee and house chairman; Kay Beidler, club aims and projects; Irene Cornell, membership and attendance; and Irene Freeman, sunshine.

St. Alban's Will Lay Cornerstone Of Parish House

Civic and fraternal groups will be present at the laying of the cornerstone of the almost completed St. Alban's Parish House, at the corner of Washington and Curtis, next Sunday afternoon at 3 p. m. Albany Lodge No. 686 of the Masons will be present as a unit and Walter Kees, treasurer of the lodge and one of the charter members of St. Alban's Church, will tap the cornerstone with his trowel to indicate the symbolism of the dedication. The junior and senior choirs, under the direction of Lois Fox Herr, will sing, and the address will be given by Dr. Randolph Crump Miller, who has been vicar since 1940. Walter C. Gilchrist is chairman of the committee on arrangements.

It is fitting that the Masons should take part in the laying of the cornerstone, for St. Alban's began in 1935 as the Solano Avenue Mission of All Soul's Church, and met in the Masonic Temple on Colusa Ave.

Hymns to be sung at the service include "Christ Is Made the Sure Foundation," "Now Thank We All Our God," "We Love the Place, O God" and "The Church's One Foundation." The lesson will be I. Peter 2:1-10.

Church Bazaar

The Albany Community Church, Marin and Stannage, will hold a Carnival Bazaar tonight at 7 p. m. Handmade pillows, towels and novelties will be offered as well as food to eat at the Bazaar or to take home. Door prizes will be drawn every hour and there will be an exhibition of folk dancing. As an added attraction, there will be movies and special activities for children. Admission is 25 cents for adults. Children will be admitted free.

Women's Club Meet

The West Berkeley Women's Club will hold their regular monthly meeting Wednesday, Nov. 19, at 1 p. m. in the Berkeley YMCA, 10th and University. A luncheon and whist party are planned for the afternoon. All Albany members are urged to attend.

Pre-School Will Get New Roof For Play Center

Work was started this week on the repairing and bracing of the roof on the Albany Cooperative Pre-School after City Engineer E. A. Tarr awarded the work contract to the Dryer and Taylor Company of El Cerrito. Their bid of \$1949.59 was the lowest of three submitted to the city council, who recently voted funds for the work.

The Pre-School has been closed for two weeks and Tarr estimated that the work will take at least two weeks to complete.

The Executive Board of the Pre-School Mother's Club met on the evening of Nov. 6 at the home of Mrs. Norman Haavick, 942 Cerrito St., and decided to use the group's building fund to improve the plumbing at the school while the roof was being repaired.

When the Pre-School Center does reopen, the tiny tots will have the benefit of four dozen large professional kindergarten blocks made by Major A. B. Kennedy, father of one of the children. Mothers, under the direction of Mrs. J. H. Bradsher, are now painting the blocks.

Mrs. Nell Curran, director of the school, stated that since the work being done will not include any enlarging of the present building, no new children will be admitted from the long waiting list. She advised mothers who plan to have their children enter the school register the child shortly after the first birthday.

Legion Auxiliary Turkey Whist Set For Thursday

Albany Unit 292 held their regular meeting Monday evening, Nov. 1, in the Veterans Memorial Building. In the absence of President Mrs. Margaret Hanahan, the meeting was presided over by First Vice President Marjorie Stott.

Plans were completed for the turkey whist party which the Unit is planning on Thursday evening, Nov. 20th. This affair will be held in the Veterans Memorial Building and the public is cordially invited. Turkey orders will be offered as prizes. Tickets are fifty cents and can be obtained from any member of the Unit or at the door. This whist party is under the direction of Mrs. Margaret Hanahan as chairman assisted by the Mesdames Una Rodrick, Agnes High, Mary Ganci, Zella Lindh, Mariah Hill, Juanita Cooke, and the Misses Marjorie Stott and Jean Cook.

Those attending the dinner Monday night heard representatives of the Community Concert Service, who have recently completed a similar drive in Hayward. Over 1200 members joined the Hayward group and the first concert in that city will be by Albert Spaulding, renowned American violinist.

With approximately 75 civic minded citizens hard at work to enlist members in the Community Concert Plan, William Woolworth, chairman of the Executive Board, announced at mid-week that the project has been received with enthusiasm by Albany residents contacted in the drive.

A dinner was held last Monday night in the High School cafeteria to brief those soliciting memberships on their duties. Mayor Lawrence Williams praised the plan as "a great cultural asset to any city."

Backed by the Chamber of Commerce and other civic and fraternal organizations, the campaign is driving toward a goal of at least 1000 members to insure a full program of yearly concerts for this city. The drive will close on Saturday, Nov. 15, after which time no new members may be accepted until next year.

Those attending the dinner Monday night heard representatives of the Community Concert Service, who have recently completed a similar drive in Hayward. Over 1200 members joined the Hayward group and the first concert in that city will be by Albert Spaulding, renowned American violinist.

Miss Leona Hayes, harpist of Hayward, who once toured with a group of Community Concert artists, spoke at the dinner and presented a number of harp selections. She revealed that shortly after the membership drive closed in Hayward a number of citizens expressed their desires to join the group. However, their request was denied in line with the membership policy of the plan.

"The Hayward incident points up the necessity of action on the part of citizens of Albany who desire to hear the many fine artists available through the Community Concert Service," Woolworth stated. "Only those joining the group during the drive may attend the concerts. The brilliant array of talent available through this service makes this drive one of the outstanding projects ever undertaken in this city."

Soroptimist News

By BEA RAYMOND

The Albany Soroptimist Club met at Gaeta's Coffee Shop, Wednesday, November 12th. Lucille Thompson was a guest and spoke briefly on the Community Concert Association now being formed in Albany. This association is of vast interest to everyone interested in good music and should be supported by the people of Albany.

Genevieve Douglas, of Douglas Pharmacy, had as her guest Maude Wilson.

The guest speaker, William Martin Camp, was introduced by President Bea Williams. Bill, as he is familiarly called, is a home owner (Continued on page three)

NEWS NOTE ON POT-ROASTS

Here's something new in serving pot-roasts. A beef heel of round is cooked slowly by braising to the tender savory goodness that is associated with all pot-roasts. Serve generous helpings of the meat with favorite Spanish rice for an original flavor scheme. A fruit bowl dessert rounds out the menu.

ROALS Will Present Benefit Fashion Show

Stars of both film and radio as well as prominent state and bay area officials will be among guests at the annual Veterans Hospital benefit fashion show presented by Roal, the Reserve Officers Association Ladies Club of the East Bay, at a Sunday morning 12 o'clock brunch at the Lake Merritt Hotel on Nov. 23.

By presenting a Sunday morning brunch and fashion show attended by men as well as women it is hoped that ticket sales will be greatly increased since all proceeds will go

to the club's welfare fund to buy equipment for the Veterans Administration Hospital. Ten veterans from the hospital will also be guests of the club and the hotel management.

So that men attending can see what the well dressed man about town is wearing, clothes will be shown from several bay area men's shops. Both San Francisco and East Bay shops are displaying fall and winter styles which range from strictly sports clothes to millinery, furs, and formal evening attire. Models will be from the various shops as well as members of the club.

Evening School Rhumba Class To Start Wed.

The teaching of the Rhumba, currently the most popular of the Latin Dances, will be started on Wednesday evening Nov. 19, at the adult Social Dancing Class of the Albany Evening High School. Those interested in learning the increasingly popular Rhumba may enroll for instruction in this one date at the weekly sessions of this class held each Wednesday evening from 8:00 to 10:00 p. m. at the Cornell School Auditorium, 919 Cornell Avenue.

Mrs. Gladys Blankenship, the class instructor, makes this comment on the Rhumba: "The rhythm of the Rhumba is interesting and intriguing, and the beat of the music is so definite that it is easy for even beginners to follow. The graceful curving of the arms, together with the definite pattern of the steps and gentle body movement, tends to make every pattern create a picture pleasing to the dancer and observer alike."

Last September the Social Dancing Class was started as part of the Albany Evening High School program and has become very popular. Instruction has been given in the Waltz, Fox Trot, and other modern ballroom dances and is now broadening out to include such specialized dances as the Rhumba, Samba and Tango. Emphasis is given to self expression through the knowledge and correct use of musical rhythm, together with attention to a variety of correctly timed steps. Frequent review of the other steps already studied will continue to be part of the regular class procedure.

He was accompanied by his wife, Eleanor and gives her a great deal of credit for his success and told the following story: They have three sons, apparently all full of pep. Bill had to use the dining-room for his writing and one ordinary day went as follows: One boy threw a ball through the front window, one cut his hand, and the youngest cried fretfully all day. On top of this, the new dog they had acquired skated over the floor and chewed the rugs. Eleanor was heckling him to get off the dining-room table so that the dinner could be served. Finally in desperation she said, "How can you write in an atmosphere like this." He explained that when writing he just went to another world. Eleanor replied: "For heavens sake, the next time you go, take me."

Kay Chapman Doyle to Wed Alameda Navy Man Thanksgiving Eve
 Mr. and Mrs. Dewey O. Chapman of 617 Adams St., recently announced the engagement of their daughter Catherine Chapman Doyle to Mr. Thomas Carlton DuBose, son of Mr. and Mrs. Z. A. DuBose of Alameda.

The night before Thanksgiving has been set for the wedding which is to take place at 8 p. m. in the

Northbrae Community Church. Dr. Laurence L. Cross will officiate at the double ring ceremony. A reception in the church parlor will follow the nuptials.

Two sisters of the bride-elect will serve as her attendants. They are Mrs. Howard Wiedemann of San Ramon, matron of honor, and Mrs. Charles Marini, who will serve as bridesmaid.

Mr. DuBose has chosen his brother, James DuBose, as best man. Serving as ushers will be another

brother of the benedict, Charles DuBose, and a brother-in-law, Norman Tawley. Catherine's brother, Logan Chapman, will also assist in seating the guests. He is a sergeant in the Marine Corps and has recently returned from two years' service in China. DuBose is a Chief in the Navy presently stationed at the Alameda Naval Air Station.

FACTS ABOUT SCOUTING

According to Mason Layton, chairman of the Albany District, Boy Scouts of America, a recent survey of Albany scholars revealed that there are 1169 boys between the ages of nine and 15 years who should be given a chance to enjoy the scouting program. But there are only six Scout Troops and 3 Cub Packs sponsored by organizations in Albany.

Layton pointed out that any loyal American organization or group of citizens banded together can sponsor a scouting unit.

While there are several organizations in Albany who wish to sponsor a scouting unit, they cannot do so because of the shortage of meeting places. Most Scout units are now meeting in places inadequate in size and facilities.

The Albany District needs Scout sponsors, leaders and workers. There are many boys and girls on the waiting lists to be admitted to Scout units, but additional sponsors, units and meeting places are needed to give them this chance.

Mason revealed that approximately 99 per cent of the workers in scouting are adult volunteers donating their time and work. Many of them have no children or have children too young to be admitted as Scouts.

"This year is the 38th Anniversary of the Scout movement in America," Layton stated, "and February 6 to 12 of each year is Scout Week all over the world. Scouting is carried on in 56 other countries of the world and in America is incorporated by the Congress of the United States."

The Scouts of this area proudly point to their war record. Of 8500 Scouts or former Scouts from Region 12 who entered the service in World War II, 8050 became officers because of their leadership ability.

"Upon my honor I will do my best to do my duty to God and my Country and to obey the Scout Law... To help other people at all times... To keep myself physically strong, mentally awake and morally straight." This is the Scout Oath and leaders of scouting are proud of the fact that delinquency among Scout trained boys and girls is practically negligible.

Persons interested in aiding the Scouts in their present crisis are urged to contact Layton at 1310 Portland Ave., Albany, or telephone LAndscape 5-0141.

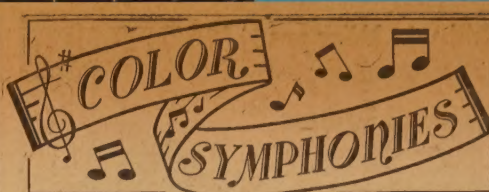

As long as TB exists no worker is safe from TB. Death rates are highest for unskilled workers, lowest for professional people.

Schedule Announced For Teen-Age Center

Some 250 youngsters were on hand to dance to the music of Rod McCauley's orchestra when the Albany Teen-Age Center reopened last Saturday night. Starting Saturday night, Nov. 15 the center will be open from 7 to 11 p. m. with many activities planned for the winter season.

Sponsored by the Albany Recreation Department, the Center is located in the High School Gymnasium. Admission is by student body card only and any boy or girl residing within the city limits of this community and attending full-time classes at the high school is eligible to attend any of the activities.

Effective Nov. 22, the Recreation Department will open the high school gym on Saturday afternoons from 1 to 4 p. m. for junior high and high school athletics. Basketball games and practice will be under the direction of Bob Erickson, Memorial Park Playground Director. Only boys wearing gym shoes will be admitted.

SUMMER'S the time for lounging and dreaming. But with the crisp, cool days of Autumn the sportsman polishes up his gun—for the urge to be active is strong.

Hunting demands warm clothing. But nowadays good sport clothes are expensive and hard to find. So if the hunter needs a new outfit, why not do what other clever women are doing to save precious time and money.

Get out those GI woolen shirts which are of excellent material and put them to use. They may have been packed away with a vow that they would never be worn again for khaki brings back unpleasant memories to most ex-service men. A change of color, though, will make those shirts look like new.

At one time dyeing wool was considered too tricky a job for amateurs. But now with the new all-purpose dye which requires only a simmering dye-bath, it can be done at home with a minimum of shrinkage and without injury to woolen fibers.

In deciding on a color, select one that is darker than the olive-drab or that will blend with it. Many shades such as Dark Green, Rust, Brown, Navy Blue or Black will cover khaki completely and the shirt will come out the color selected.

However, men like color—gobs of it—in their hunting shirts. The darker tones probably will please them most and, besides, they're far removed from that hated khaki.

Communicated

Publisher Albany Times:
On behalf of the Albany Community Chest, the youth of Albany that it serves, and the many Chest workers who gave untiring effort in collecting funds, I wish to express thanks to the Albany Times for their generous support in publicizing our campaign. The advertising space that you gave freely and the effective write-ups on Community Chest activities aided greatly in the success of our campaign.

I also wish to take this opportunity to express my sincere appreciation to the 150 workers who gave so much of their time to making this campaign a success. I wish I could mention all those who under difficulties and in rainy weather solicited funds, but especially to the Colonels and Captains who did such an effective job in organizing our campaign does the city of Albany wish to express its heart felt thanks.

Sincerely yours,
WM. B. WOOLWORTH,
General Albany Community Chest.

LADY—YOU DID IT!

This is the season of the year when those annoying fuse "blow-out" may occur in the home. There are several reasons for these "pesky" mishaps and there are a few precautions you can take to avoid them.

Take these simple precautions and you will avoid trouble this fall and winter:

1. Handle plugs and cords carefully. Tighten up loose screws and nuts in plugs and on appliances. Check your cords now.
2. Repair or replace old and frayed cords on all appliances. Check your cords now.
3. Keep spare fuses on hand. It takes only a few seconds to replace a burned-out fuse.

You will be home more hours a day during the coming cold and rainy season thus giving your lamps, radios and appliances longer hours of service. Give them all some care and repair servicing now.

TAKE CARE of plugs that start spittin' like a kitten. It is advance notice that a wire is about to burn through or a plug terminal is about to give away.

BEWARE of jerking appliances about by the cord. This loosens terminal connections and causes short circuits and blowouts.

BEWARE of using too many appliances at one time on a branch circuit. This overloads circuits and causes blowouts.

TAKE CARE to have a supply of fuses of the right size on hand. 15 ampere fuses (not 20 or 30 amperes) are right for lighting circuits.

Buy a supply of fuses from your dealer today.

High School Srs. To Enter Pepsi-Cola Contest

Eight seniors from Albany High School have been elected by their classmates to compete with students from other high schools throughout the United States and territories for the 119 Pepsi-Cola Four-Year College Scholarships and more than \$50 fifty-dollar College Entrance Awards being offered again this year by the Pepsi-Cola Scholarship Board.

The contestants chosen were: Ken Roberts, Dolores Perry, and Joan Pawson, high seniors and Phyllis Hasley, Bill Higgins, Barbara Shultz, Nancy Sherrick, and Bill Thunberg, low seniors.

According to Charles A. Moore, Principal of Albany High, it is both a scholastic and a personal honor to be selected as a contestant for one of these scholarships, since a student so elected must be one who is, in the opinion of his classmates, "most likely to make an important contribution to human progress."

If one of the students from Albany High wins a Pepsi-Cola Scholarship, he or she will have full tuition and certain incidental fees paid for four years at any accredited academic college he wishes to attend in the United States, its territories, or Canada. In addition, he will receive an allowance of \$25 a month during the four academic years plus traveling expenses at the rate of three cents a mile for one round trip between home and college each school year. There will be five runners-up for every scholarship to be given, and each will receive a College Entrance Award which carries a grant of \$50 payable if the winner enters college by the fall of 1948.

These scholarship awards are financed by the Pepsi-Cola Company as a part of its public service program.

At 9:00 a. m. on Friday, November 21, these seniors who have been elected will take a two-hour specially prepared scholastic aptitude test in the high school. The students in each state who receive the highest scores on this preliminary test will then take a second examination on January 24. This test will be the regular supervised Scholastic Aptitude Test of College Entrance Examination Board. The winners will be announced early in March.

The Pepsi-Cola program is the largest scholarship program outside of Government subsidy and it is planned and administered by a group of distinguished educators known as the Pepsi-Cola Scholarship Board.

Veterans News

One in every five World War II veterans holding National Service Life Insurance policies has converted to one or more of the half-dozen available permanent plans, Veterans Administration said.

Of the 5,746,000 policies in force in August, more than 1,637,000 were permanent policies and the remaining 4,708,000 were five-year level term policies.

Nearly two-thirds of the veterans who had converted their policies, or 634,900, selected 20-payment life. Thirty-payment life was second in popularity with 194,000 policies. Following in order, were ordinary life, 156,400 policies; 20-year endowment, 30,950; endowment at age 60, 15,000; and endowment at age 65, 6,300.

Total value of all the G. I. policies in force amounted to more than \$34.4 billion. Permanent forms accounted for over \$14.4 billions of this total.

NSLI term policies issued before January 1, 1946, may be continued for eight years from the effective date at the original rates, while such insurance, issued after that date, may be continued for five years on a term basis.

Term policies do not accrue cash loan, paid-up or extended insurance value. They may be converted at any time before the expiration of the term period to any of the six permanent plans available.

Question: I am a World War II veteran and would like to know the minimum and maximum amounts of National Service Life Insurance I can take out?

Answer: The minimum for NSLI is \$1,000 and you can get more in multiples of \$500 up to \$10,000.

Question: Do National Service Life Insurance policies participate in savings?

Answer: Yes, if favorable mortality experience and interest earnings warrant a premium adjustment, dividends from gains, and savings will be authorized by the Administrator of Veterans Affairs.

Question: Why do I have to pay too monthly premiums instead of one when I reinstate my lapsed National Service Life Insurance policy?

Answer: One premium is for the 31-day grace period following the date of lapse, during which the insurance was continued in force without payment of premium; the other is for the current month of the reinstatement.
